

## CLDA Cares Disaster Relief Donation Form

As many of you are aware, three years ago due to Hurricane Harvey the CLDA Board unanimously agreed to start the CLDA Cares program. This program was designed out of a need to help our fellow brothers and sisters that are part of the CLDA in times of crisis. I am happy to say that since the fund was created, we have been able to help dozens of our CLDA family members due to hurricanes, flooding, and fires. Please pledge your financial support to the CLDA Cares Disaster Relief Fund.
